MISC. ITEM					

WE WISH WE COULD BUY ALL OF YOUR CARTRIDGES!

The Green Earth Recycle would like to pay for the all cartridges you collect.

Unfortunately, not all cartridges can be remanufactured and resold.

Used cartridges are a commodity product; meaning they are bought and sold based on the demand from consumers.

Certain items might drop in price if demands drop. We must adjust our prices accordingly to offer free shipping, free boxes and promotional items! Therefore our prices are always subject to change, so please check our price list for updates:)

**For all cartridges that are returned broken, or not on our buy back list cannot be paid for.

Please always try and keep a list or what you have returned for your records so you can compare to your statement from The Green Earth Recycle.
